- acquire and install SRMs;
- acquire, rent or lease and install cash registers, point-of-sale (POS) systems and receipt printers; or
- update their cash registers, POS systems or receipt printers.

For more information about the subsidy program, read the documents *Subsidy Program for Restaurateurs* (IN-574-V) and *Requirements for Leased or Rented Equipment Under the Subsidy Program for Restaurateurs* (IN-574.A-V), which are available on our website at www.revenu.gouv.qc.ca/resto.
